PUBLIC NOTIFICATION CONTACT AND E-BILLING INFORMATION

The Fox Chapel Authority has implemented a phone and email notification system to alert our customers regarding important information. The system will be used for emergency notifications as well as scheduled shut-downs, water line breaks, hydrant flushing, etc.

Please list the phone numbers in the order that you want contacted. By default, the system will stop calling once a phone is answered live or by answering machine/voice-mail. This information is solely for the use of Fox Chapel Authority and will not be provided to another party.
