

The LIHWAP program helps low-income families and individuals in Pennsylvania by either paying water utility companies bills in arrears or covering the costs that recipients incur with water bills. <https://www.lihwap.us/state/pennsylvania>

Low-income homeowners in the ALCOSAN service area can reduce their bills by applying to the ALCOSAN's Clean Water Assistance Fund. Details are available through Dollar Energy at 412-930-8635. Applications may be filled out online at www.dollarenergy.org or through local social service agencies.
